

West Sussex Mind Mental Elf 2024

We're excited to have wooden medals at all Mental Elf events across England and Wales this year. Find out why we've made this decision below, along with a sneak peek of what you can add to your medal collection, or your Christmas tree, this year.

We've made the switch to wooden medals for 2024.

- They are eco-friendly and kinder to the environment
- Compared to traditional metal medals, wood is a much cheaper option at a time when local charities are struggling financially
- By removing the date, it means we can reuse medals year-on-year, reducing fulfillment costs, so more crucial funds can go towards our vital services instead
- Our medals can also be reused as a Christmas tree decoration, simply cut off the lanyard and thread through a ribbon of your choice, and voila!
